

REIMAGINEPLACE COHORT

2025 - 2026

REIMAGINEPLACE

where you live, work, worship and play.

An amazing movement of love, compassion, and restoration is springing up in towns and cities all over North America. The Navigators ReImaginePlace Learning Cohort is your invitation to join that movement. Come join others as we uncover God's extraordinary dream for ordinary places of our lives. You will never see your community in the same way again!

*A fresh vision for the ordinary
places of your life.*

REIMAGINEPLACE COHORT

2025 - 2026

REIMAGINEPLACE is coming to you! Team with others in a year-long learning cohort to explore how your destiny is tied up in the literal geography of your life. Study, discuss, explore and ultimately practice meaningful ways to bring Good News to your context. You'll discover how to join God in a redemptive mission already unfolding in the places you live, work, worship and play.

You will:

- Grow in your skills as a neighborhood practitioner.
- Learn about discipleship within the context of your neighborhood.
- Take a Field Trip to tour a neighborhood to explore fresh and innovative ways of discipleship.
- Be challenged and affirmed as you follow the One who, "moved into the neighborhood." (John 1:14 MSG).

Cost:

- A one-time registration fee of \$300 per person is payable at the time of registration.
- **Participants will provide their own travel, food and lodging for the Group Field Trip.**
- To register, go to: <https://events.navigators.org/reimagine-place>.
